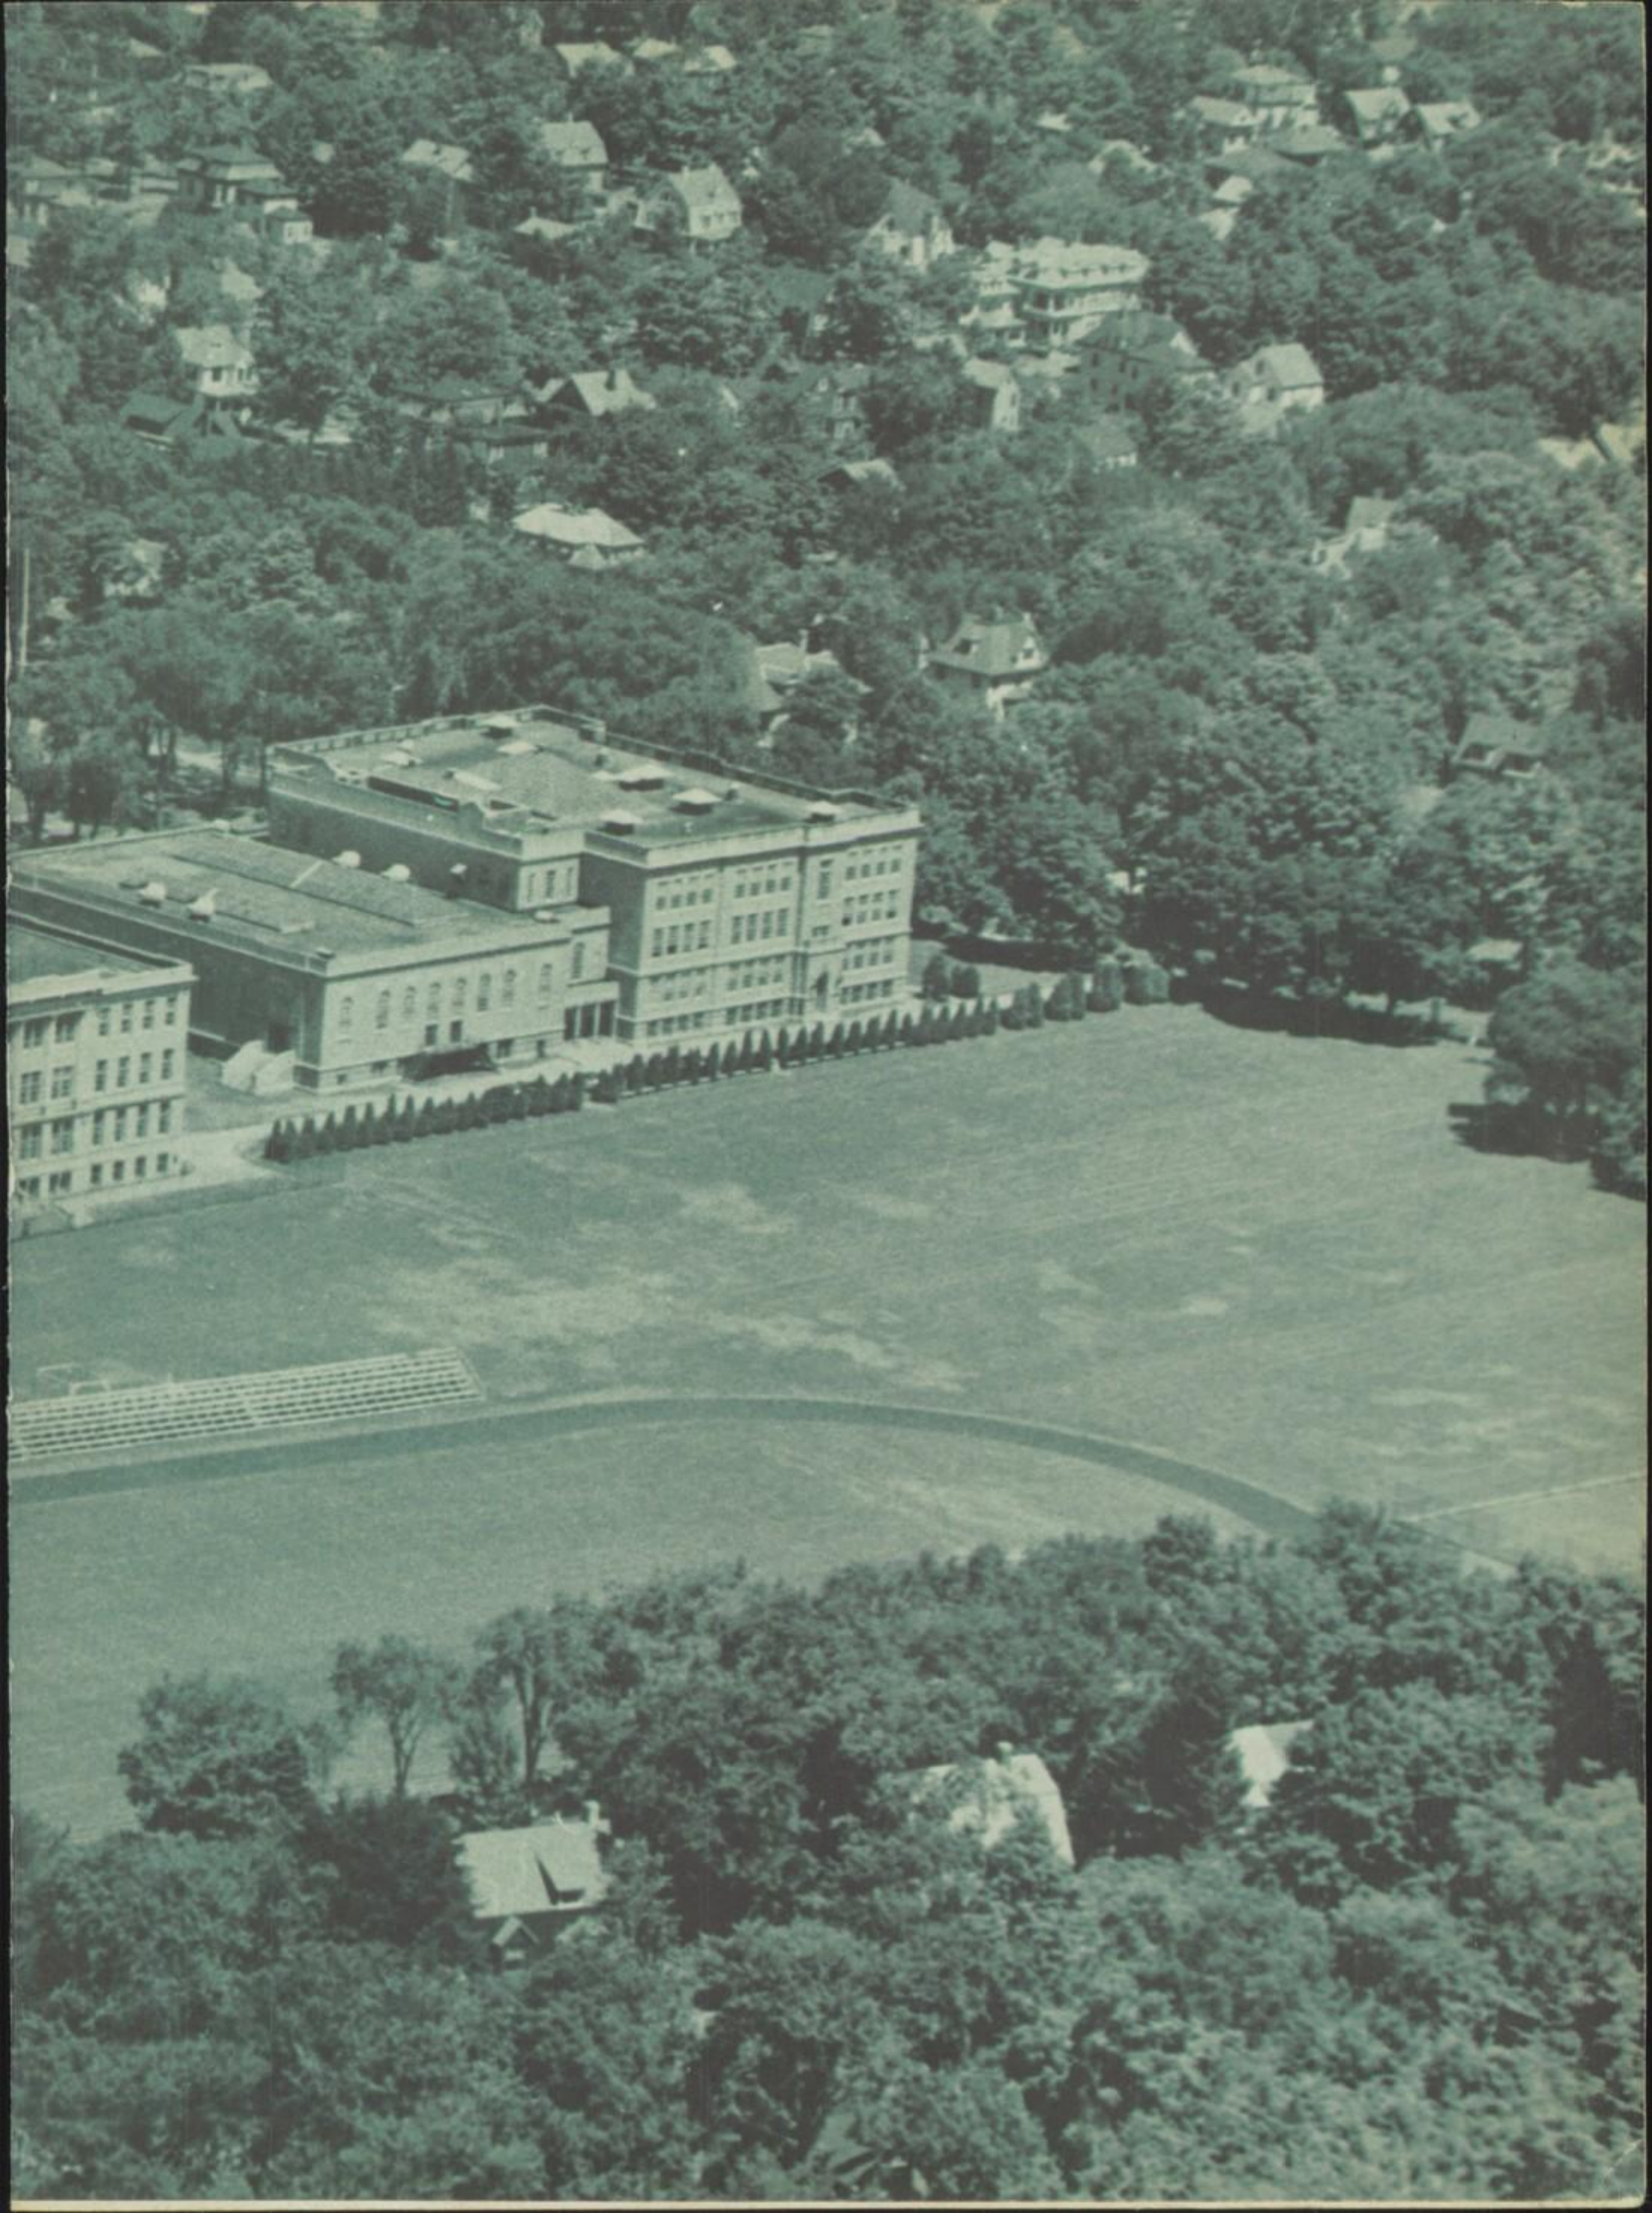
NEWTONIAN



You've heard me cheer at the football games and rallies, but now I'm really going to roar! I'm going to roar about my high school, my friends, and our great activities — about school spirit, Tigeramas, and football games — The Drama Festival and school exchanges, and the scores of committees and clubs, students and teachers, who have helped make these three years really great.

THE TIGER ROARS!

Mr. Harold Howe, II
Principal

DEDICATION

We are grateful and proud to have you as a principal, Mr. Howe. We are grateful for your open-mindedness, for your receptiveness to new ideas. We are grateful, too, because you have shown that you are sincerely interested in us. We are proud to have a man of your ability as our leader — proud, too, that you have faith in us.

We, in turn, have faith in you, and only hope that Newton High School will have your leadership for many years to come. To you, Mr. Howe, we dedicate our Newtonian of 1958.

The Tiger would be amazed at all the work the Senior Class Committee can accomplish in one school year. Besides being indirectly responsible for the Senior Supper, Senior Night, and the Senior Prom, the Committee also makes suggestions for the selection of the senior class graduating gift. The success of practically all the Senior Class functions depends on the hard work and industry of its committee.

SENIOR

The Senior Play for 1958 will be one long remembered by its cast, its committees, and the people who saw it. This year, the Senior Class presented the hilarious farce "Charlie's Aunt." Rehearsals began with an eager cast and crew, and immediately the characters began to come alive on the stage, especially Charlie's aunt, played by John Deming. The rest of the cast along with the student directors worked with Mr. Spink, Miss Ryan, Mr. Chase, and all the committees to make the play the great success that it was.

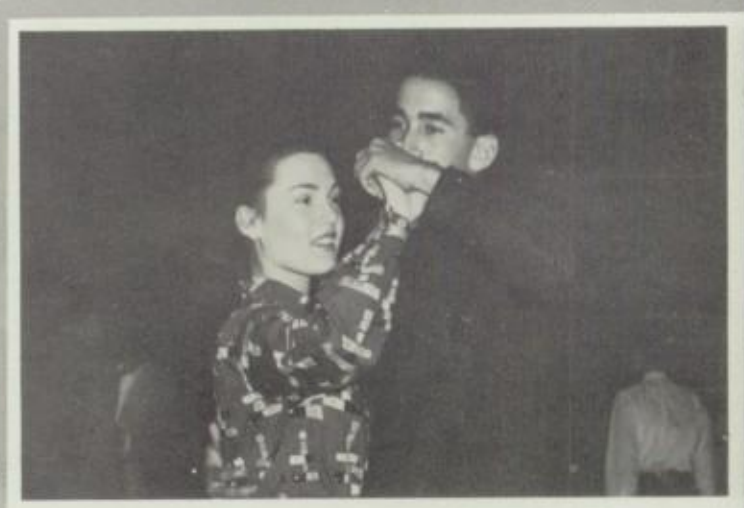
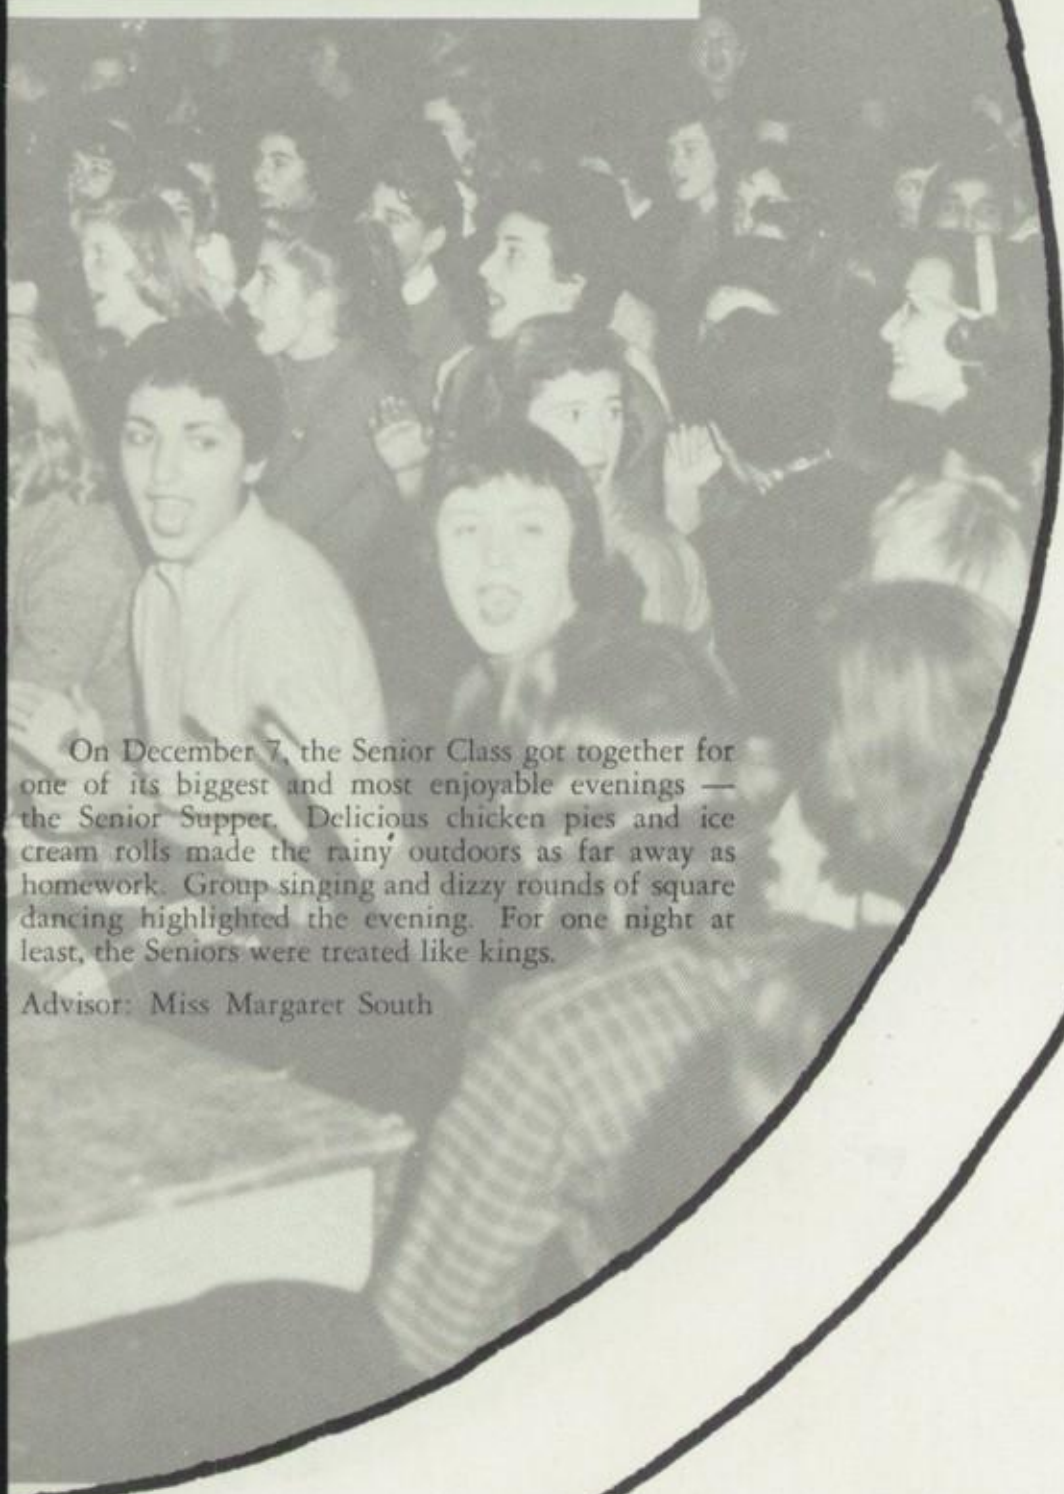
SENIOR



SUPPER



On December 7, the Senior Class got together for one of its biggest and most enjoyable evenings — the Senior Supper. Delicious chicken pies and ice cream rolls made the rainy outdoors as far away as homework. Group singing and dizzy rounds of square dancing highlighted the evening. For one night at least, the Seniors were treated like kings.

Newtonian adviser

The only accurate, comprehensive, and indelible record of this great class of 1958 . . . The only barrier against the ravages of time and the fading of these precious memories . . . The only pictorial record of ourselves and our classmates as we really looked during our high-school career. All of these things is the Newtonian, our senior yearbook. Many years from now when our class has been scattered and dissipated to the far corners of this sphere, when we are not nearly so rich or successful as we had once hoped to be, and when all our beautiful high-school dreams have been conquered by bitter reality: Then shall men look fondly back through the yellowed pages of this book and say of the class of 1958 — "This was their finest hour."

ORANGE BOOK

First Row: Miss Ashley, R. Cooper, E. Berger, S. Loeb, K. Winston, A. Wilson, J. Becker. *Second Row:* R. Butterfield, P. Shrier, C. Shaw, N. Witty.

"Get lost — or get an Orange Book!" warns the hard-working staff of the school Orange Book. This staff of busy workers, who try to squeeze studying into their flurry of getting write-ups approved, supplies the information concerning the school that they wish they had had as sophomores. The organization's job is to revise the previous year's Orange Book to fit the unpredictable needs of the coming year.

NEWTONITE

NEWTONITE EDITORIAL STAFF

Long after Newton High's corridors have become dark and empty and Newton students have settled down to another long night of homework, a light still shines from a window high up in Building One. It comes from the "Newtonite" office where a group of hardworking editors are adding the finishing touches to another hardhitting issue of Newton High's bi-weekly newspaper. These senior editors are aided in their work by students in the journalism class who are getting formal instruction in journalism and serving as apprentices and reporters on the "Newtonite" at the same time. This combination of devoted workers results in a fine "Newtonite which is truly the voice of the student body.

LEGISLATURE

"I would like to make a move that a motion be moved for making . . ." And thus a legislature member proposes another bill.

With less than an hour during homeroom period, the legislature is constantly active from the beginning roll call to the final adjournment in the consideration of laws governing the student body. Under the leadership of President Fran Zolli, this group exemplifies the true democratic principles of our society.

AVIATION CLUB

Perhaps someday our Tiger will rule his domain from an airplane. All he has to do is join the exciting Aviation Club. Four of the twenty-one members have passed their solo flight tests, and many more expect to do so before the year is over.

MUSIC CLUB

Besides having the largest club membership of the school, the Music Club also offers a scholarship to a worthy member planning to enter some field of music. The Music Club sponsers appearances of internationally known artists and student concerts for the many talented students of N.H.S. Our talented Tiger plays the radio!

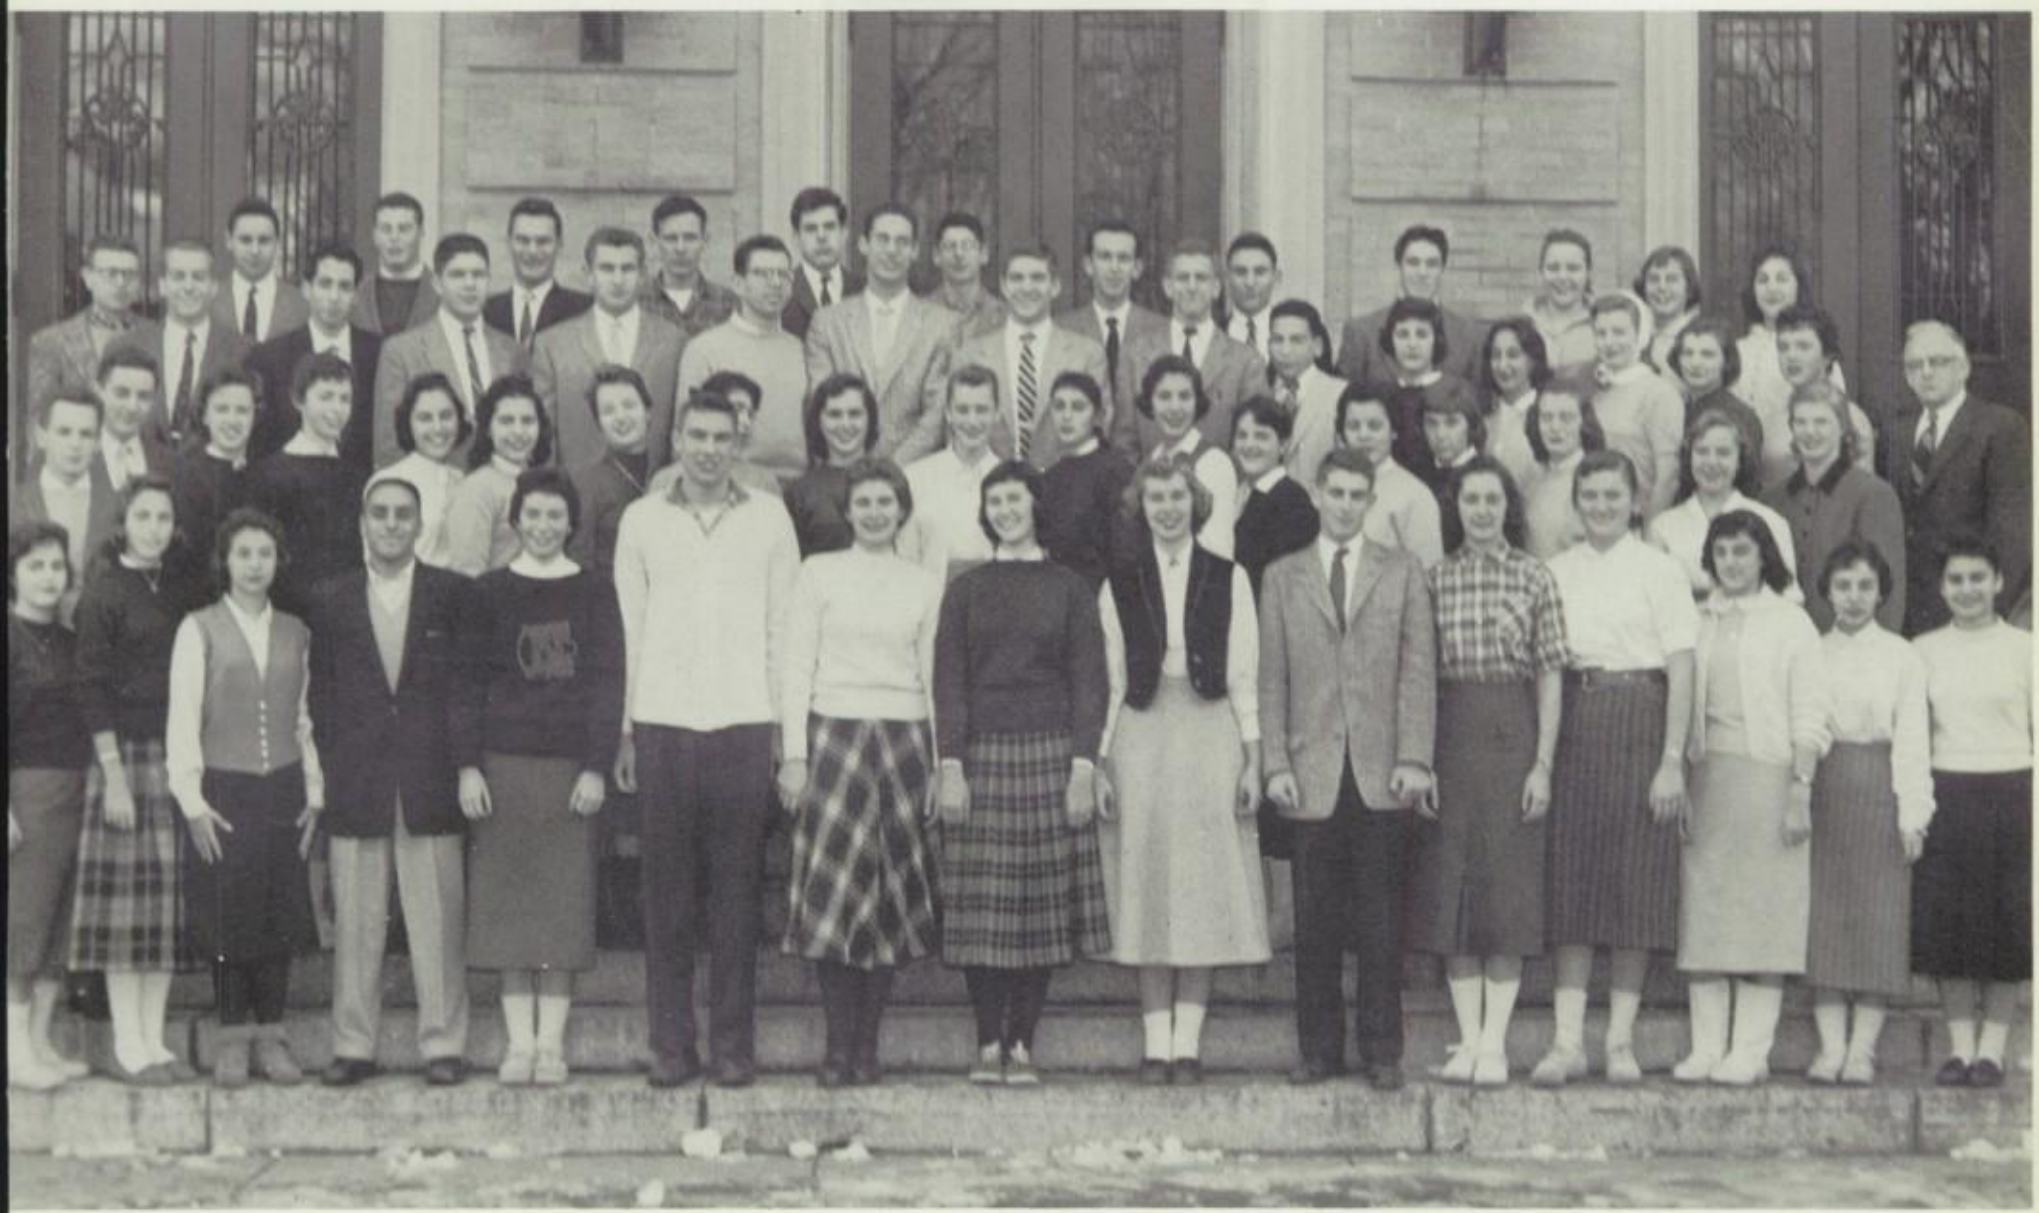
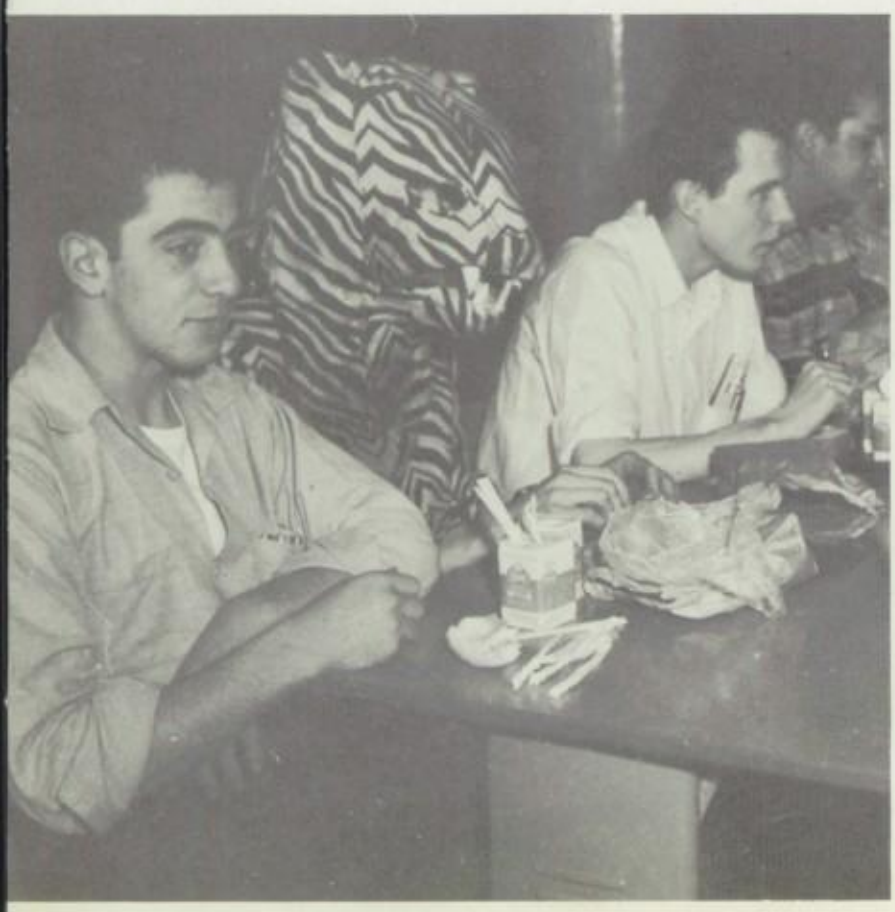
ORANGE SHIELD



From all of us who eat in the cafeteria, a hearty thanks should go out to the Orange Shield. This group of service-minded students is responsible for the cleanliness and efficiency so necessary for our well-run cafeteria. Under the guidance of Messieurs Foster and Rogers and the Civics Board, The Orange Shield helps provide a pleasant break in our school day.

Advisor: Mr. Foster



A CAPELLA CHOIR

Oh! Oh! Oh! Ohhhhhhhhhhhhh!

This is not a lamenting D lunch sufferer; it's Newton High School's A Capella Choir tuning up. This year A Capella moved to new quarters in the basement of Building Two and added new sounds of joy to the deep, dark reaches of our school. A superlative performance of Handel's "Messiah", sung at Christmas Vespers, was by far the high point of the year's activities. Hard work and determination again made A Capella Choir the outstanding singing organization in Newton High.

Composed of members of the Marching Band and any other enthusiastic musicians, the Concert Band performs at various school functions during the year. Besides presenting an exciting concert for the Music Club, the Band high-lighted the year with a sparkling performance at the Spring Music Festival. The Concert Band, whose repetoire consists of modern and semi-classical music, even condescended to present a little known concert in cooperation with our foe, Brookline High!!

Conductor: Mr. Doran

CONCERT BAND

JUNIOR AND SENIOR GIRLS' CHORUS

From out of Newton High's beloved 2312 comes the sweet nightingale strains of the excellent Junior and Senior Girls' Chorus. This group of avid singers meets every Tuesday and Thursday to sing for their own enjoyment and prepare music for the annual Spring Music Festival. In addition, the Junior and Senior Girls' Chorus enhances its reputation by appearing in concerts outside of school and on local radio stations.

Advisor: Mr. Lasker

The philosophy of this group of untrained but hearty voices is that one's problems can be drowned in song. College songs, folk songs, standards — the music really doesn't matter — the Boys' Chorus sings everything with the same gusto and enthusiasm. From this group, talented singers can rise into the more advanced A Capella Choir.

THE UNITED NATIONS

1958 SENIOR CLASS FIRST

The United Nations was visited by forty Newton High School students under the supervision of Mr. Daniel Willard on Wednesday, November twentieth. The trip was highlighted by a tour of the United Nations buildings and attendance at meetings of the Security Council and the Economic and Social Council. Transportation to New York was by train, and dinner was eaten at one of New York's famous Restaurants.

Advisor: Mr. Willard

ALPHA GAMMA TAU

Let it never be said that a second Van Gogh or Picasso will go unnoticed in Newton High! This year, the school has set up a permanent Art Studio, which consists of fifteen especially artistic students. The displays on the wall of our library and several other rooms about the school are examples of the Art Studio's fine workmanship. What school event has not been aided by the eye-catching publicity done by the Art Studio?

Advisor: Miss Miles

Amidst soaring golf balls, Sputnik and Muttnik, and tantalizing formulas, members of the Alpha Gamma Tau Club studied some of the mathematics involved in space travel under the guidance of talented student astronomers. Besides hearing many interesting student talks, the members heard speakers from industries, visited an IBM Computer, and sponsored two Newton Plan lectures on the slide rule.

THE ART STUDIO

HUNTING AND FISHING CLUB

"Watch out, Tiger!" was the cry heard at Newton High School when the Hunting and Fishing Club roamed around the campus. This lively club not only went on field trips (to real fields!) but also had movies, lectures, and discussions on new, improved methods of shooting and casting. All in all, the members of this group learned much and had lots of fun . . . but they never did catch the Tiger!

INTERNATIONAL CLUB

In New York, the Algerian question was hotly being debated in the United Nations, with France threatening to walk out! In Newton High School's International Club, students anxiously listened to a French speaker present the French viewpoint, and discussed the problem with him. Similarly, members of the International Club debate both sides of many of the world crises of 1957-1958, at Newton High, at conferences at neighboring schools, and were at the mock United Nations General Assembly at Harvard University. The issues concerning the nations of the world concerned this club also.

Vice President: Ferne Mintz
Secretary: Judy Bedrick
Treasurer: Felix Shlaepfer

LATIN CLUB

The Latin Club may easily be considered one of the most active as its program this year included many exciting projects. In November, the members visited Belmont High School as guests of its Latin Club, and, in May, they attended the Junior Classical League at Norton High School, Norton, Mass. In addition to these trips, speakers, movies, et al, were included.

METEOROLOGY CLUB

Everyone talks about the weather, but no one does anything about it. Perhaps someday the members of the Meteorolgy Club will discover a way to keep N. H. S. free from snow, sleet, and rain. But the chief activity of these weather enthusiasts is to make daily observations from the roof of Building II and predictions of the weather to come. These observations include barometric pressure, wind velocity, temperature, and cloud conditions.

MOTION PICTURE SQUAD

The Motion Picture Squad is a school service organization. Squad members operate the projectors when films and slides are shown in the assembly hall, the classroom, or at club meetings. STAGE CREW

We have all seen school productions such as the Senior Play and the Drama Festival. Back in the shadows, out of the spotlight, work the people responsible for the lights, sound, curtain, scenery, and all the effects so neccessary to such productions. We all owe the Stage Crew a note of thanks for its success in presenting all our auditorium activities.

El Club Español ha estado muy activo durante el año pasado. (The Spanish Club has been very active this year.) This the club's program included a trip to José Greco's Spanish Ballet, movies in Spanish, and speakers from Spanish-speaking countries. Did you realize that the Tiger can growl in five languages?

TUSITALA

Creativity is the keynote of this select group of eager writers. After admittance, which is on a competitive basis, members submit their own poetry or prose to the candid criticism (and sometimes praise!) of their fellow members. Who knows to which of these young Shakespeares the Muse will take a fancy?

CHEERLEADERS

Three cheers for the Tiger and his harem — the effervescent, sparkling cheerleaders. At football games, basketball games, Tigeramas and other school-wide activities, the cheerleaders have done their utmost to stimulate and lead the school spirit in the N. H. S. students and urge our teams on to victory. Though daunted by mud, rain and cold weather, the cheerleaders have done their job and done it well.

CAVALRY CLUB

Hi Ho Silver! "Who are those people galloping through the Blue Hills?" Those worthy horsemen belong to the Newton High School Cavalry Club. Although some of the members are more experienced than others, all share one common purpose: to have a fine time. Besides riding, the Club activities include movies and speakers.

CHEMISTRY CLUB

"Hey, where's Building Two?" "Heh, Heh, the Chemistry Club strikes again!" No, Building Two is still with us, and the Chemistry Club still has a lab in which to work. This club is composed of those students who desire to experiment further beyond classroom work, who bring their scientific curiosity to Chemistry Club meetings. Because of the explosive enthusiasm of the members and advisor, the meetings are always lively and exciting.

CHESS CLUB

Every Friday afternoon the 55 or more members of the Chess Team and Club meet to test their skill in the absorbing game of chess. At one of these early meetings the Chess Team, comprised of the ten top chess players of the club, is formed, and goes on to participate in the Metropolitan League of Greater Boston, competing with various high school chess teams in the vicinity. Newton High's team has often in the past placed among the top three teams of the league and probably will continue to be so for many years, thus bringing still more fame and honor to Newton High School.

Resolved: that the government should initiate federal aid to education.
Resolved: that the United States should spend more money on foreign aid.
Resolved: that college fraternities are necessary for campus life.

These and many other resolutions were the subjects of enthusiastic intra-club and inter-school debates. The annual debate with Brookline High and the party at the end of the year highlighted the 1957-1958 season.

DEBATING SOCIETY

FRENCH CLUB

The members of this year's French Club will agree heartily that many wonderful experiences were enjoyed by all. Lectures, French songs, theatre and restaurant trips, and a French style Christmas party were a few of the varied activities of this club.

THEATRICAL MAKE-UP WORKSHOP

Composed of sophomore, junior, and senior girls, the Workshop study principles of thetrical make-up. After perfecting their talents, the members of the Workshop experiment on the casts of the Drama Festival and Senior Play. With paint, putty, and powder, the Theatrical Make-up Workshop can transform an actor or actress into an entirely new character, a new face in the crowd.

This year The Future Teachers of America Club proudly boasted a membership of over 100 students, many of whom are planning careers in teaching. The club's program, designed to further the members' knowledge of the teaching profession, included speakers from the field of education, movies, and visits to elementary and secondary schools, as well as to the various teacher's colleges in the vicinity.

MARCHING BAND

"Get in step, File Five!" So starts another N. H. S. Band Rehearsal with all the usual confusion. However, by Saturday game time, the Band, in its bright new uniforms, is ready once again to present another spectacular half-time show and to serve as the center of Newton's cheering section.

After football season, the Marching Band is converted into the N. H. S. Concert Band which performs both in and out of school. Mr. George Doren, Band Director, has future plans for the growing Band, including Band exchange trips, concerts at other Newton schools, and fund raising campaigns.

WASHINGTON, D. C. EXCHANGE

Off to see the President! Well, not quite, but the members of this exchange were shown just about everything worthwhile seeing in Washington by their hosts from Woodrow Wilson High School. Enthusiasm was the keynote of this exchange, and much intensive study of both communities, diverse fund-raising activities, eager letter writing, and hard work went into making this exchange successful. Our Newton Exchange members could hardly wait until April when they would entertain both the Washington and Yarmouth exchanges, in an exciting and all-too-short week.

Mr. Kesselheim

NOVA SCOTIA EXCHANGE

"Off to the far north." That was the cry of the thirty exchange members as they headed for Yarmouth, Nova Scotia for a week of adventure. Although there were no dog sleds or Eskimos, there was plenty of excitement as the exchange partners met and the activities got under way. Under the able leadership of Miss Lee and Mr. Card, the trip was a success, full of new experiences and friendships for everyone.

ASSOCIATES COUNCIL

The Associates Council is one of the many organizations at N. H. S. that works behind the scenes for the improvement of our school. Composed of teachers and student representatives from each grade, the Associates Council has the final decision on bills sponsored by the legislature. This year, more than ever before, the Associates Council has played an important role in determining school policies for student activities.

THE RALLY COMMITTEE

EXECUTIVE COMMITTEE

This year, the Tiger received quite a boost from the Rally Committee when its members went on a full-scale campaign to stimulate school spirit, a campaign which proved highly successful. Thanks to the efforts of the Rally Committee, attendance increased tremendously at all sports events. We certainly hope they keep up the good work!

NEWTON TECHNICAL HIGH SCHOOL

Often called the "Trade School," the Newton Technical High School offers its students much more than a trade. Besides receiving a high school diploma and a well-rounded education, its graduates gain a thorough training in one of the many courses offered — from automobile maintenance and Mill Carpentry to Printing and Electronic courses. The Technical-Vocational High School has many student activities of its own, including its straight-shooting, hard-driving basketball team, and the well-known service organization, the Administrative Aids. The Technical High School is a definite and necessary part of our school system.

The Red Cross Council program this year was an energetic and successful one. Their activities included the annual Red Cross Drive, work at the Newton-Wellesley Hospital, and the preparation of a book of stories and games for children in hospitals. The year was highlighted by Operation Friendship, a plan under which the members of the Council visited children confined to their homes by sickness.

The job of the Library Assistants is to help the Librarians produce maximum library efficiency for N. H. S. students. The Library Assistants don't have regular meetings, but when there is work to be done, they are always ready to pitch in and help.

DANCE BAND

With a sparkling and exciting repertoir of jazz and dance music, the N.H.S. Dance Band made its debut at a Music Club meeting, its first of many performances during this year. Led by Mr. George Doren, the talented, hard-driving, 23-piece Dance Band was the hit of our second Tigerama. The Dance Band has risen from obscurity to renown in a short time, and has captured the attention and enthusiasm of the school.

Conductor — Mr. Doren

ORCHESTRA

"All right you guys, shut up!" And then with a quiet tap of his baton, Mr. March calms the Orchestra and begins the performance. The first official act of the 70-piece N.H.S. Orchestra was to accompany the A Capella Choir in the Christmas Vespers' presentation of the Messiah. Besides presenting various concerts throughout the year, the Orchestra rehearses many difficult classical works simply for the pleasure of playing and enjoying fine music.

Conductor — Mr. Donald March

DRAMA CLUB

Once again the Drama Club at N.H.S. has had more activities than the Tiger could watch — a trip to a television program, an enjoyable talent show, a party, and the annual Drama Club presentation. At the meetings this year, skits were presented by each class. Discussions on theatrical make-up, costumes, and performances, by guests, made Broadway seem a little closer to these enthusiastic Thespians.

President: John Deming

Secretary: Linda Cohen

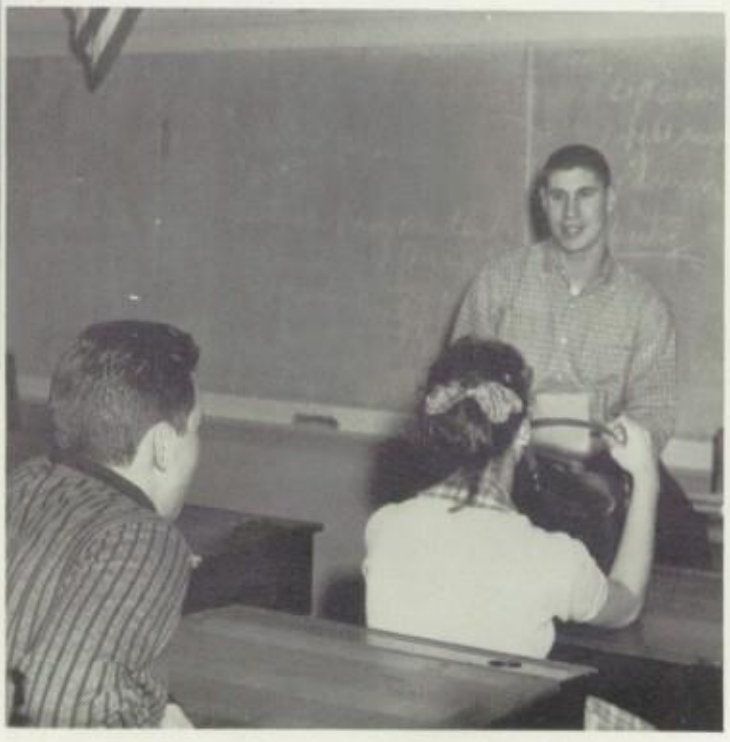
ENGLISH CLUB



The members of the English Club found the literary discussions which took place during the monthly meetings much more interesting than classroom talk. The Christmas party and Valentine meeting both added to the enjoyment and recreation of the regular activities.

OUTING CLUB

Even the always active tiger of our jungle is no match for the girls of the Outing Club, whose boundless energy never runs out. This year the season began on a high note with an outing at the Wallex Skating Rink where experts and novices whirled around together. A Christmas Party in December, the annual ski weekend at Peterboro, New Hampshire in February, and the outing at Crane's beach in May, maintained the gaiety and high spirit of the members from the beginning to the very end of the season.

CAMERA CLUB

If you were blinded one day by a refulgent flash and opened your eyes to find a large yellow moon staring at you, rest assured that it was not a flash in the pan. Actually, the flash was caused by an enthusiastic member of our Camera Club practicing his latest techniques. The avid shutterbugs who comprise this club increase their store of photographic knowledge through lectures and demonstrations given by club members and outside authorities. In the process, the club members learn that most up-to-date information about photography from the first hushed click to the last anxious rinse of the finished print.

RIFLE CLUB

The tiger might think that he is on secure grounds running about the school the way he does, but he had better take care that no one from the Rifle Club sees him. These sharpshooters are all award-winners of the National Rifle Association. Although they usually confine their shooting to the West Newton armory, the club members might take a fancy to a nice tiger hunt.

HOMEROOM MANAGERS

Hats off to the unsung tigers of Newton High! Three cheers for the homeroom managers who struggle so valiently to make all Newton High's activities available to every student. Even though they must suffer many adversities, nothing discourages this spirited group. In their capacity, the homeroom managers are the link between the students and many of our extra-curricular activities. How could you get your "Newtonite" delivered on time, or that ticket to Tigerama, or admission to the next Legislature dance without the help of your homeroom manager? These are but a few of the many services that our unheralded homeroom managers perform for the student body many times during the year.

CIVICS COMMITTEE

When the title Civics Committee is mentioned, one often thinks *only* of an Anti-Smoking Committee. Few people realize what exists behind this much publicized, incomplete title. Through an anti-litter-and-grass-walking-campaign, as well as the anti-smoking campaign, and by means of surveys and programs concerning fire drills, assemblies, elections, ushering, and clubs, the Civics Committee is in constant effort to improve the appearance, spirit, safety, and efficiency of Newton High School. A salute goes to Bob Kantar and his worthwhile committee.

President: Bob Kantar
Advisor: Mr. Rogers

DRAMA

This year, the annual Newton High Drama Festival presented *Green Pastures, Medea,* and *The Solid Gold Cadillac,* three plays that again revealed the fine talent of our school thespians. The plays were in competition with one another for a place in the preliminaries of the Massachusetts Drama Festival, and provided a rewarding and enjoyable evening for all who participated and attended.

FESTIVAL

ORCHESIS

With energy and enthusiasm the members of Orchesis began this year. As each girl progressed in skill, she had the opportunity to advance to a higher group. From Apprentice, she worked up to Workshop, and finally up to Performers. During a week, the girls could have been seen practicing and perfecting themselves for the special programs and spring show which they presented.

President: Diana Costa
Vice-Presidents: Barbara Fleischer, Ellen Kahn
Secretary-Treasurer: Marion Young

"Hold that Tiger!" . . . Each of us will surely hold the Tiger Rag as one of the many memories of this event called Tigerama. Four Friday nights this year the gym was filled with the many sounds of Tigerama, thanks to the efforts of the committee of parents, teachers, students, and the strong support of the student body. Activities from checkers to rock-n-roll made Tigerama a night of "fun for all, and all for fun."

TIGERAMA

NATIONAL HONOR SOCIETY

An election to the National Honor Society is considered one of the highest honors offered at Newton High School. Students eligible for membership must be in the upper 25% of their class. Final choosing is done by the faculty and is based on four qualities: character, scholarship, leadership, and service. At the impressive induction ceremony in the spring, the nominated students become official members and receive their gold pins, symbolic of their achievement which is respected throughout the nation.

AMERICAN FIELD SERVICE

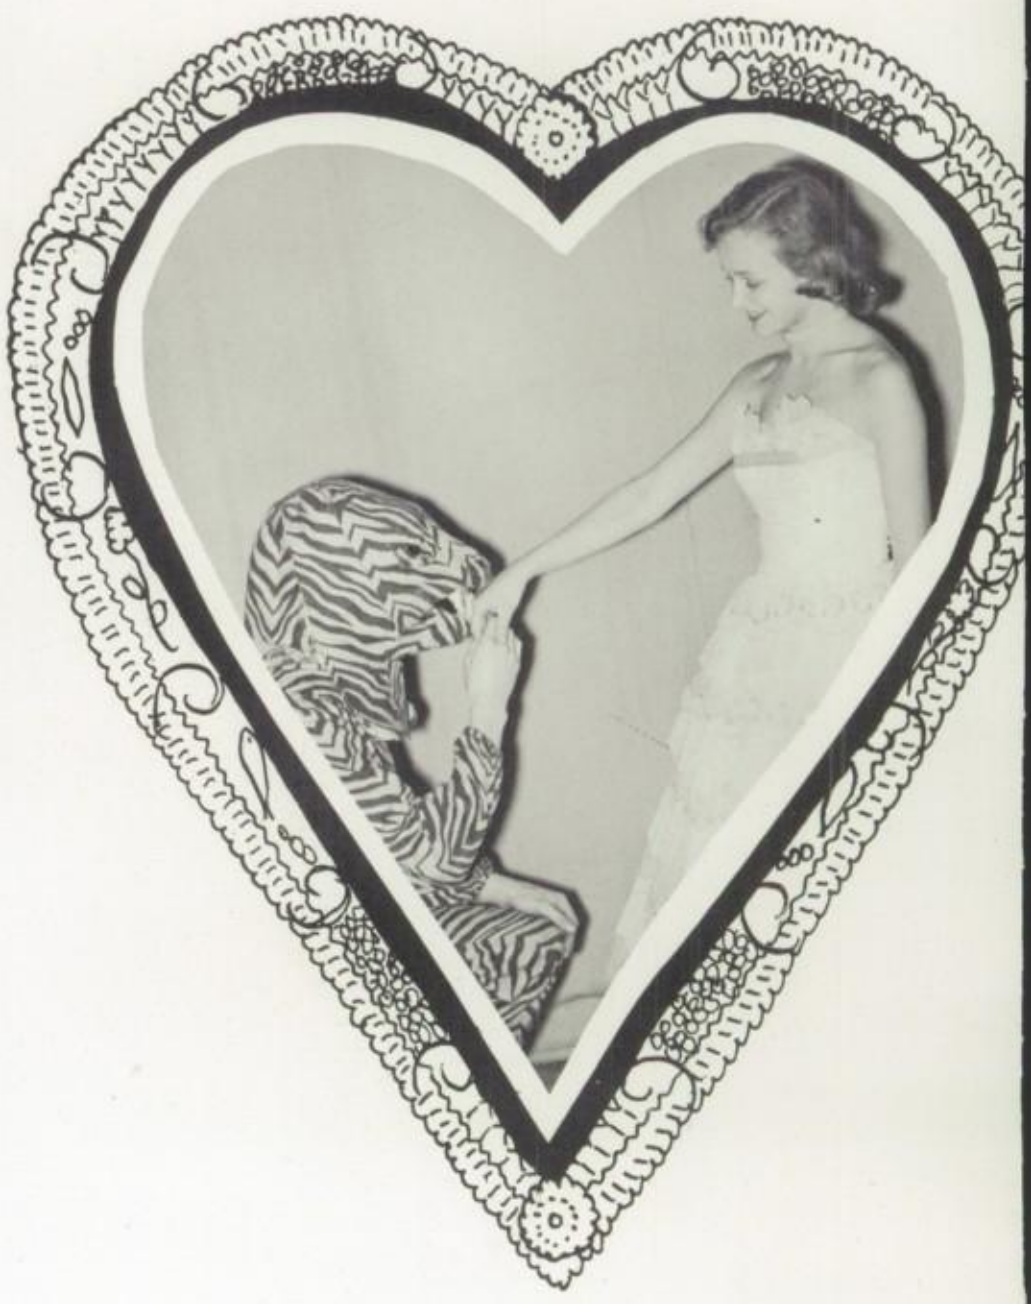
The year, Newton High School has been fortunate to have Felix Schlaepfer from Switzerland and Marie-France Erian from France as its ambassadors of good-will and understanding via the A.F.S. The American Field Service ideals of world fellowship and peace have taken root at N.H.S., and the hard-working A.F.S. Committee, headed by Allan Paulson, has helped these ideals to grow and prosper. Due to the complete success of the A.F.S. weekend at Newton this year, our A.F.S. Committee has plans for a more active program for next year.

Advisor: Miss Burdon

OFFICE WORKERS

No self-respecting Tiger would dare to set foot into any of our orderly Building offices. Teachers are not the only people at N.H.S. swamped by an overwhelming amount of paper work each day. Our office workers and industrious students see that each pink slip, yellow slip, and white card is processed and channeled to its proper file for efficient administration of the school.

NEWTONIAN



Congratulations!

Now, let's see . . .

QUEEN

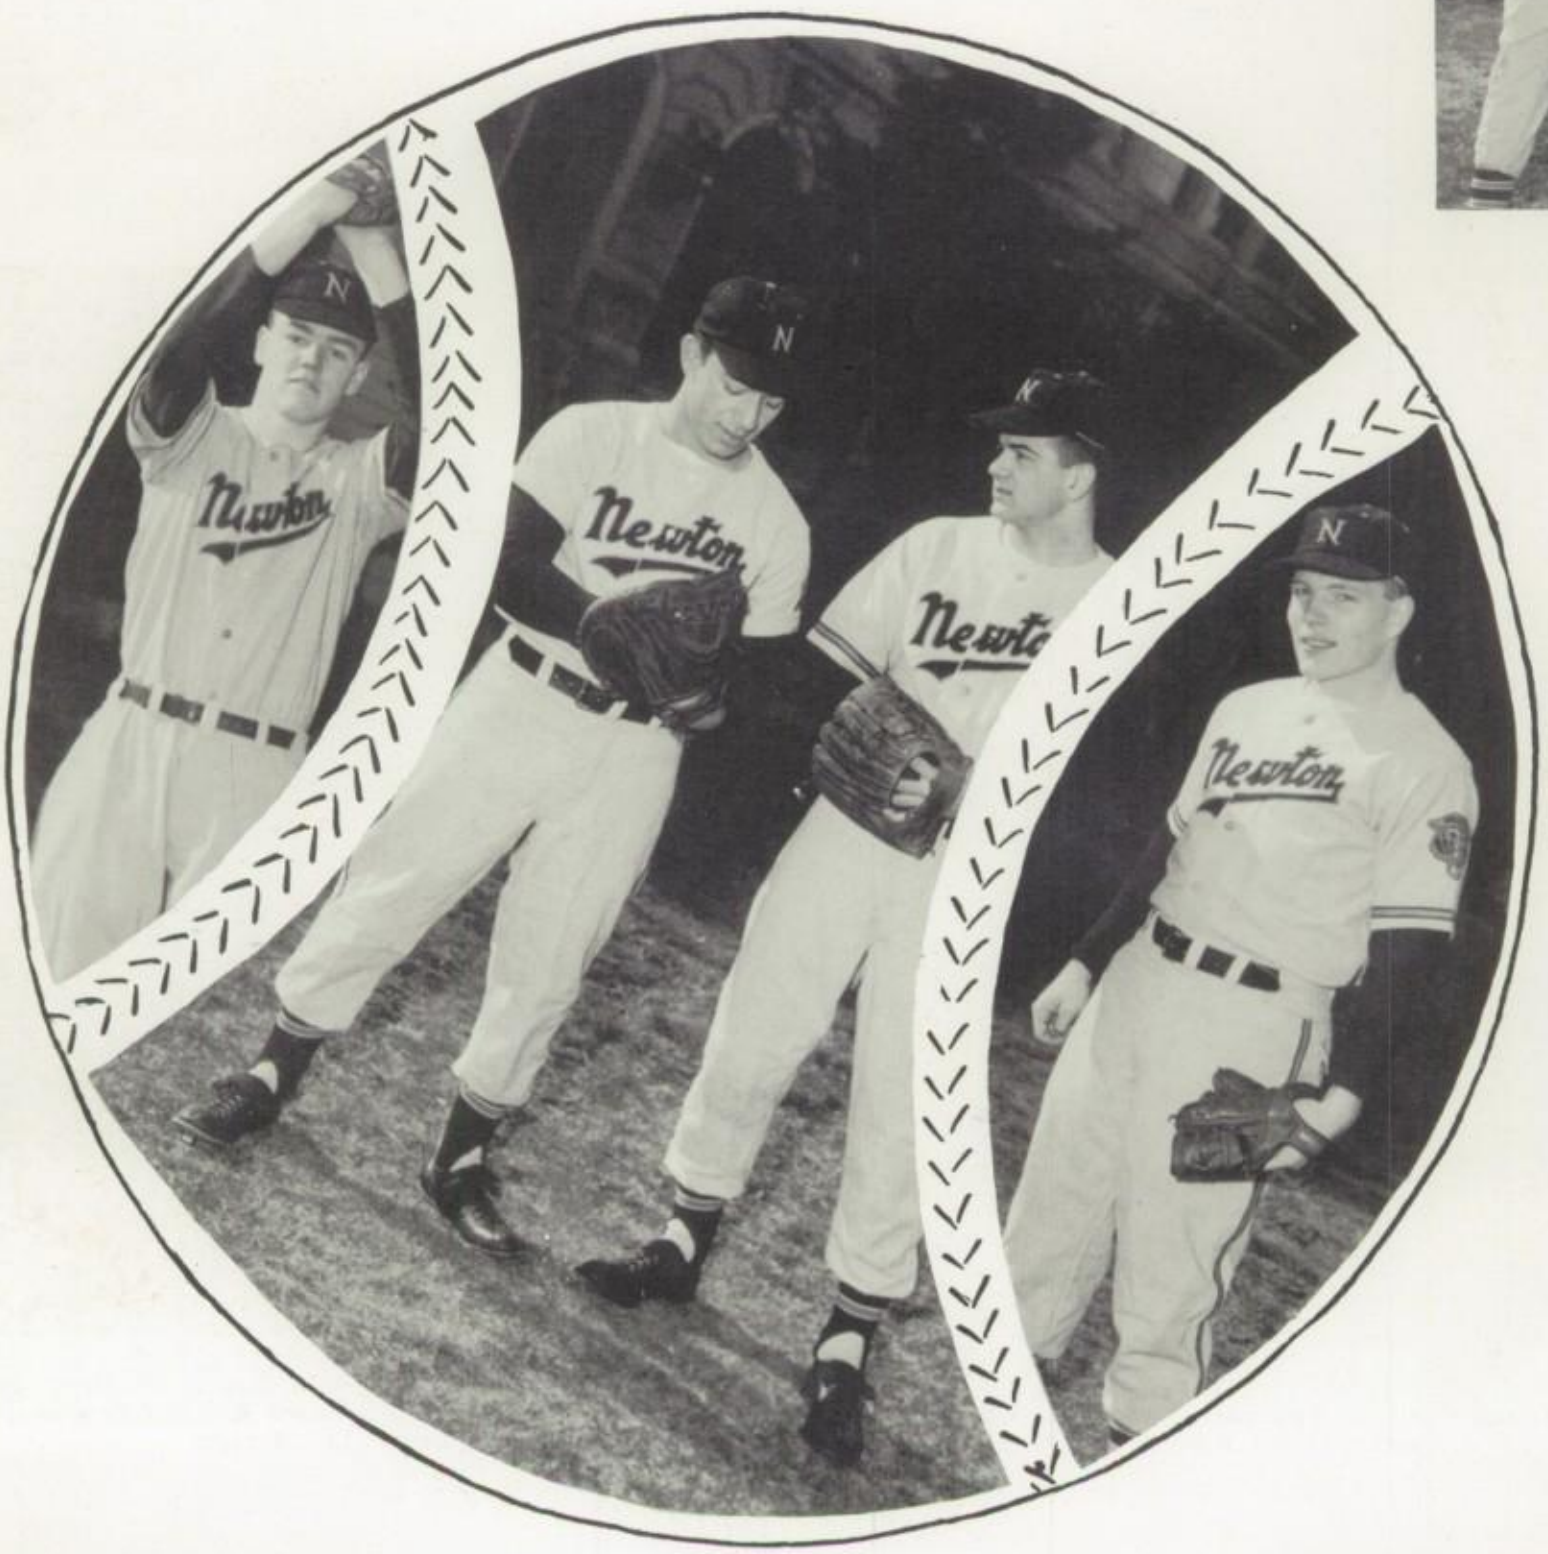
Mirror, mirror

Here she is, Miss Newtonian of 1958, Penny Doswell! Penny, a very pretty senior, is, among other things, the Girls' Vice President of the Associates, Chairman of the Rally Committee, President of Tri-Hi-Y, and a member of the Civics Board, Civics Committee, and Orange Shield. Our Beautiful queen joins with the *Newtonian* in wishing the best of luck to the class of '58.

Hold it!

SPORTS

BASEBALL



Those strangers that you may have seen prowling around Newton High were not the Russians spying on our superior educational system. These inquisitive, unfamiliar fellows were probably scouts from major league baseball teams. In past years under the expert guidance of Coach Ferguson, Newton's Nine has helped to carry Newton's fame far and wide. Although the last pitch is yet to be thrown, our hard-hitting teams promise not to break our strings of successful seasons. And soon one of Newton's best will be seen on the Red Sox lineup!

Coach: Mr. Ferguson

First Row: McGuinnes, Henley, Snider, O'Laughlin, Craig, Calvin, Maxcey, Leonard. *Second Row:* Mr. Ferguson, *Head Coach,* Sealey, Ryan, Rideout, Martin, (Tom), Martin, (Don), Russo, Connerney, Mr. Hawkes, *Ass't. Coach. Third Row:* Lankin, Keenan, Connor, Woodlock, Ackerman, Gaysunas, Russo (Buddy), Gordon. *Fourth Row:* Mr. Sandborn, *Faculty Manager,* Savage, *Manager,* Levine, *J.V. Manager.*

OUTDOOR TRACK

Strength in both track and field events gave the Boylermakers a strong, well balanced squad. Led by Captain Scott Brent and bolstered by such standouts as Phil Johnson and Marty Beckwith, the Newton team put in a fine performance at every meet.
Captain: Scott Brent

Coach: Mr. Boyle

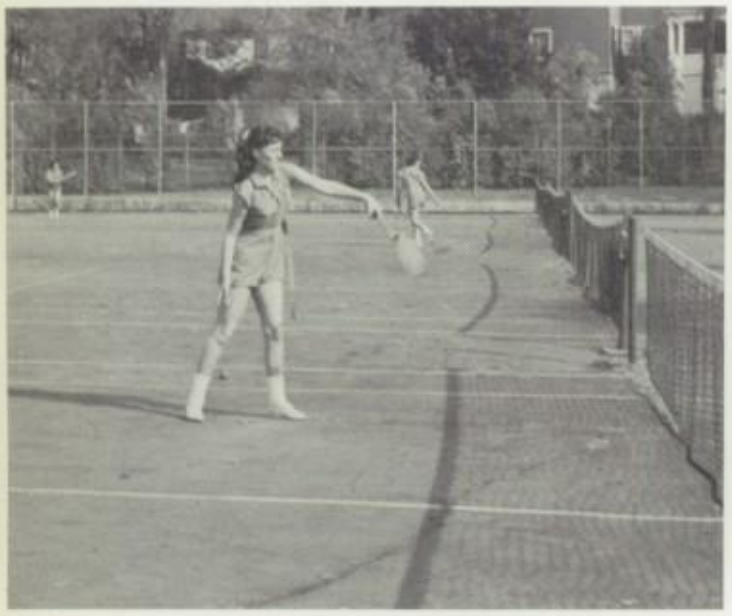
INDOOR TRACK

Sparkled by Phil Johnson, Larry Smith, Jim Yancey, Garry Snerson, and Captain Marty Beckwith, the Newton Indoor Track men soared to great heights this year. Defeated by Rindge by a one point margin, the team won all its other meets, the B. B. A. Meet, and the Class A state championship. Coach Boyle looks forward to another great season next year.

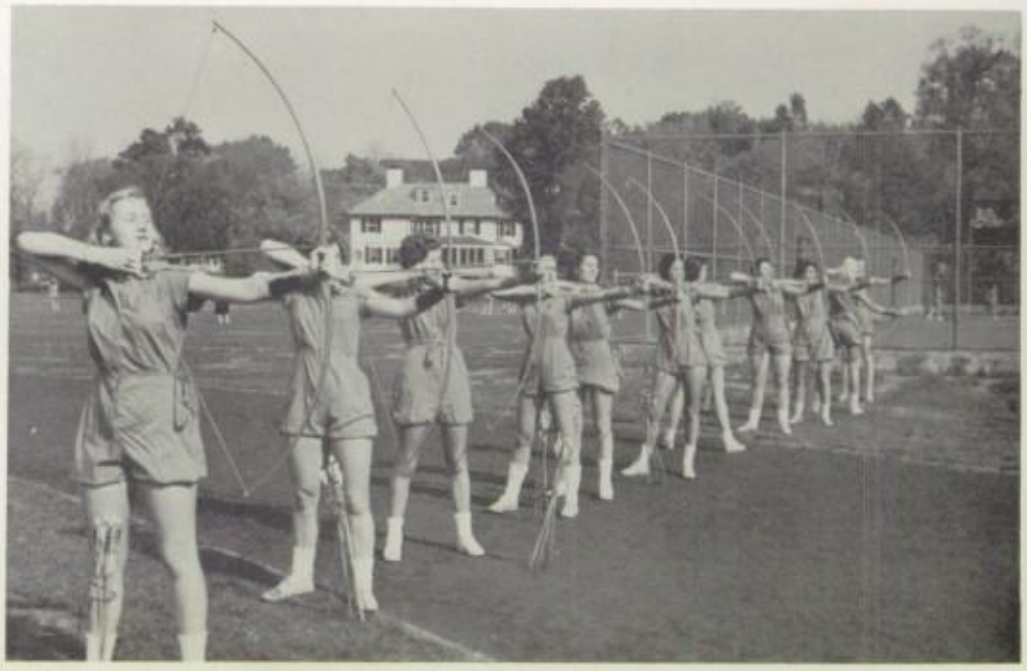
Captain: Marty Beckwith
Coach: Mr. Boyle

GIRLS' TENNIS

Every Monday, Wednesday, and Thursday, the girls who participated in after-school tennis could be seen serving and smashing their tennis balls across the courts. Participating in competition with other schools, these girls exhibited skills and sportsmanship, and spent many an enjoyable afternoon at their favorite sport.



GIRLS' ARCHERY



Little known to many students Newton High has a fine Golf Team under the expert direction of Coach Jack Hall. Each spring a number of golf enthusiasts practice long and hard to improve their skill in this difficult game. They participate in a full slate of matches with other schools. Sand traps, divots, and the rough are unknown occurrences to Newton High's men of the links and their hard work has led them to another fine season.

GIRLS' FIELD HOCKEY

Undaunted by the chilly Fall weather, the Girls' Field Hockey Teams valiantly braved the icy blasts of cold winds, and the frozen hardness of the hockey fields to participate in their favorite sport. Whatever the outcome of the fast-moving, exciting sport, the girls were always full of laughter and team spirit. These girls not only enjoyed the sport, but also learned valuable lessons in good sportsmanship and team co-operation.

BASKETBALL

This year's Varsity Basketball Team was renowned for two qualities: injury and enthusiasm. Sparked by Captain Bob Calvert and Coach Ed Poskitt, the Newton Five overcame many handicaps and finished the season with a fine record. Sharp shooting and top-notch spirit gave Newton High a Basketball Team of which we can be proud.

The Tiger can ride a motorcycle, but the members of our youthful Cross Country Team have a much more strenuous time than that! Any afternoon in September or October, these rugged individuals can be seen threading their way through the intricacies of their course in Cabot Park. But the hard work and constant training of this small but remarkably strong team has paid off. The Newton harriers now rank third in the state, and next year they plan to do even better.

Coach: Mr. Richard Geist
Captain: Francis Woodbridge

VARSITY HOCKEY

When the sound of battling hockey sticks finally subsided, Newton High could see that the Varsity Hockey Team had done an admirable job in representing the school in the G. B. I. League. Although their 4-3-3 record gave the Hockey Team only third place, the team was always a formidable and hard-hitting danger to the records of other schools. The Hockey Team also played several college freshmen teams, and the playing of all-stars Captain Jim Leonard, David Craig, and Peter Thompson provided many highlights in this exciting season.

Captain: Jim Leonard
Coach: Mr. Hall

GIRLS' BASKETBALL

During the cold winter, our hardy female basketball enthusiasts spent many enjoyable afternoons improving their shooting skills and chalking up points for their renowned teams. Divided into intramural, junior varsity, and varsity groups, these girls seemed to be equipped with a surplus of energy and true sportsmanship whether they won or lost.

Captain: Elna Anderson
Co-Captain: Nancy Doherty

TECHNICAL HIGH SCHOOL BASKETBALL TEAM

Although it is little publicized, Newton Technical High has a top-notch Basketball Team. The Technical High's Five has a fine record of high scores, and the hard-hitting, straight-shooting team always works in the spirit of true sportsmanship. Finishing the year with an admirable series of wins, the Technical High Team promises to do even better in the coming seasons.

FOOTBALL

First Row: V. Rollins, L. Lookner, H. Haywood, P. Moran, G. Maxcey, C. Snider, C. Vento, J. Connerney, R. Russo, F. Zolli, R. Perkins. *Second Row:* Mr. E. Fraktman, Mr. P. O'Connell, A. Calnar, M. Savage. *Fourth Row:* Mr. McConnell, assistant head coach, R. Armstrong, J. Akerman, L. Curtis, T. Martin, J. Hartnett, D. Gilvar, P. Thompson, G. Klesaris.

VARSITY FOOTBALL

Despite many injuries, Newton's hard-hitting line coupled with the fast-moving, exclusive Tigers of the backfield presented a formidable display of muscles and skill to all opposing teams. Supported by George Maxcey, Tom Martin, and Mike Callander, the defensive line, which averages over 207 pounds per man was enough to strike fear into the hearts of even the bravest of adversaries. The winning scores of the Chelsea game — 33 to 6, the Lynn English game — 31 to 6, and the Arlington game — 20 to 0 are monuments to the fine playing of our Varsity Football Team. The seniors were especially outstanding this year. Captain Charlie Snider, Jim Yancey, Charles Vento, and John Connerney all contributed immeasurably to the success of the Newton Team. Newton's record for the season was seven wins — two loses, and the Varsity team chalked up an eye-opening total of 164 points. Although Newton did not capture the first place trophy, the excellent playing of the junior and sophomore team members serves as a warning to all of next years opponents that Newton is out to WIN!

Captain: Charlie Snider
Coach: Mr. Hawkes

NEWTON HIGH QUEEN

After the votes had been collected and tabulated, Newton High discovered that from the many ravishing and vivacious beauties at N.H.S., the Senior, Junior, and Sophomore classes had selected Sandi Douglas, Beverly Vaccarello, and Margie Cassleman as their Queens. The Queens were selected for their school spirit, activities, personality, friendliness, and last but not least, good looks. At the Broadway Beat, Margie Cassleman was elected the Newton High Queen, but the voting must have been close, for each class Queen is a fine example of all queenly qualities.

LEGISLATURE DANCE COMMITTEES

The hard work and creative efforts of these committees resulted in three fine dances for Newton High. Many weeks of planning and brain work went into the success of each dance. The results — spectacular! The Decoration Committee transformed our dingy gym into a second Totem Pole, and the Entertainment Committee presented the best talent of the school. Newton High owes the Legislature Dance Committees a hardy vote of thanks for their efforts.

ADMINISTRATIVE AIDS

The Administrative Aids are the Technical High's equivalent to the Orange Shield. The Aids assist in the proper functioning and maintenance of the cafeteria. The Administrative Aids perform their duties with determination and competence, and mercy to the misguided student who attempts to take an extra lunch.
